INTERNATIONAL SCIENTIFIC-PRACTICAL CONFERENCE SUSTAINABLE ENVIRONMENTAL DEVELOPMENT: INNOVATIVE TECHNOLOGIES

September 23, 2021, Klaipeda

INVITATION

The development of modern business, health, education and industrial sectors is inconceivable without digitization and artificial intelligence solutions, robotization and other innovative and smart technology solutions dictated by the 4.0 industrial revolution.

Klaipeda State University of Applied Sciences with intention to bring together evident efforts of Lithuanian and International scientific and business communities for searching innovative solutions and sharing newest theoretical and practical achievements related to fields of innovative products and technologies is organizing this Conference. You can also participate in the conference remotely.

The Main Topics of the Conference:

- Energy and Sustainable Environment
- Innovative Technologies for Improving Human Health
- Food Technologies and Nutrition's Innovation
- New Manufacturing Processes, Materials and Technologies
- Smart, Clean, Coherent Transport
- Information and Communication Technologies
- An Inclusive and Creative Society

The Execution Form of the Conference: Mixed. It is possible to attend conference remotely and, if possible there will be live sessions.

Scientific Committee of the Conference

Dr. Jurga Kučinskienė (Klaipeda State University of Applied Sciences, Lithuania),
Chairman

Prof. habil. dr. Eglė Jotautienė (Vytautas Magnus University, Lithuania)

Dr. Ruslans Šmigins (Latvia University of Life Sciences and Technologies Latvia)

Prof. dr. Vivita Pukite (Latvia University of Life Sciences and Technologies, Latvia)

Prof. dr. Pilar Cristina Izquierdo Gracia (Polytechnic University of Madrid, Spain)

Dr. Robert Grygo (Bialystok University of Technology, Poland)

Prof. hab. dr. Ramutis Klimas (Klaipeda State University of Applied Sciences,
Lithuania)

Dr. Alper Kerem (Kahramanmaraş Sütçü İmam University, Turkey)

Prof. dr. Vitalij Denisov (Klaipeda University, Lithuania)

Dr. Jurgita Andruškienė (Klaipeda State University of Applied Sciences, Lithuania)

Prof. dr. Raul Alberto Carrilho Cordeiro (Polytechnic Institute of Portalegre,
Portalegre, Portugal)

Prof. dr. Sahin Yildirim (Erciyes University, Kayseri, Turkey)

Doc. dr. Marija Truš (Klaipeda University, Lithuania)

KOLEGIJA**

Organizing Committee

Birutė Rataitė Chairman of the Organizing Committee, Lecturer at Engineering and Informatics Department

Jūratė Vaitekonienė Dean of Faculty of Technologies

Sigutė Savickienė Vice-dean of Faculty of Technologies

Jūratė Liebuviene Head of Transport Engineering Department

Daiva Stanelytė Head of Engineering and Informatics Department

Dainora Jankauskienė Head of Environment and Construction Engineering Department

Sigutė Ežerskienė Head of Food Technologies and Nutrition Department

Šarūnė Barsevičienė Lecturer at Oral Care Department

Asta Norbutaitė Lecturer at Physiotherapy and Beauty Therapy Department

Conference languages: Lithuanian, English, Russian

Important Registration Dates:

By 20 August, 2021 for presenting participants

By 13 September, 2020 for non-presenting participants

Registration form link:

<https://forms.gle/fCGyfmAaYcP2D8V78>

Conference participation fee is 30 EUR

The participation fee is paid for participation in the conference live sessions and the received printed publication of scientific works "Sustainable Environmental Development".

Please, make your money transfer to the following account:

Klaipeda State University of Applied Sciences,

company code 111968056, VAT code LT119680515,

AB Bank "Swedbank", bank code 73000, SWIFT code: HABALT22,

account No. LT80 7300 0100 7417 8978,

Purpose: SUSTAINABLE ENVIRONMENTAL DEVELOPMENT, 2021

Publications of the Conference Announcements

Publications, corresponding requirements for scientific papers, will be published in periodical scientific journal "**Sustainable Environmental Development**", ISSN 2538-9017 (print) / ISSN 2538-9025 (online). Publications will be published in 2022.

The periodical scientific journal "Sustainable Environmental Development" is referred in INDEX COPERNICUS and SIS international databases.

Information for authors you may find on the website:

<http://ojs.kvk.lt/index.php/DAV/about>

Submission of publications: by 1 April, 2022

<http://ojs.kvk.lt/index.php/DAV/about/submissions>
