

**"ERASMUS" STUDENTS OPINION ABOUT
THE STUDY OF THE SUBJECT – AUTUMN
SEMESTRE 2023-2024**

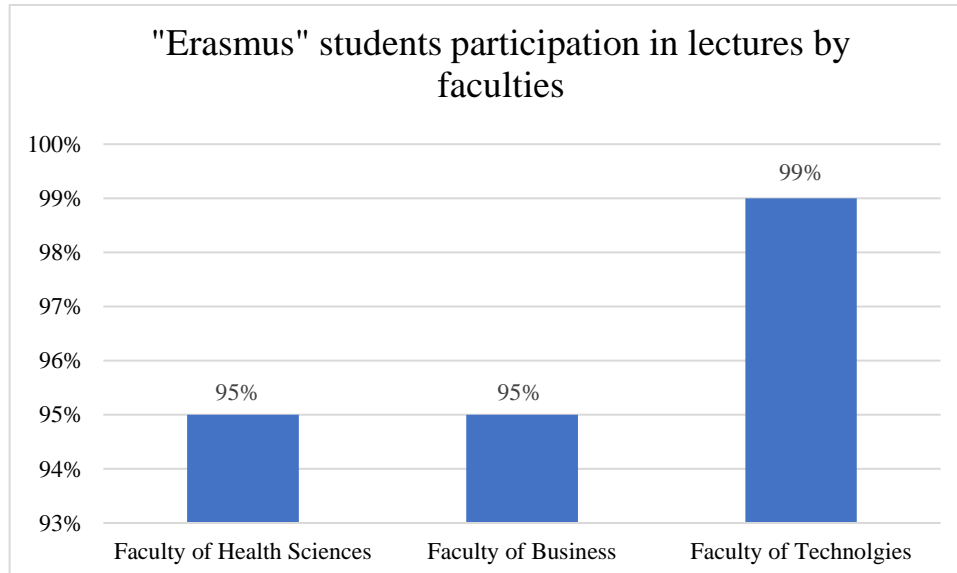

In 2023 December - 2024 in January, students of the Erasmus International Exchange Program took part in an online survey and had the opportunity to self-evaluate their studies. The student could self-evaluate each studied subject by filling out a separate questionnaire.

The diagram below shows the statistical average of the student's self-assessment of the subject studies according to the study programs in points (on a 5-point scale).

The highest satisfaction average is 4.92 points - in the Administration of Institution and Companies program. Administration of Institution and Companies students indicated that they liked was the active methods we used during the course, the way it was easily taught, the fact that the topic became much clearer and that the teacher was always there to help us.

Students self-assessed their participation in lectures, the data are presented after calculating the statistical average, according to faculties.

The data shows that the students of the Faculty of Technology were the most active in attending lectures - 99%.

The expressed opinion contributes to the improvement of the quality of the studied subjects, helps to identify problems arising in the study process and possible ways of solving them.

Thank you for participation!
