

**"ERASMUS" STUDENTS OPINION ABOUT  
THE STUDY OF THE SUBJECT  
SPRING SEMESTRE 2023-2024**

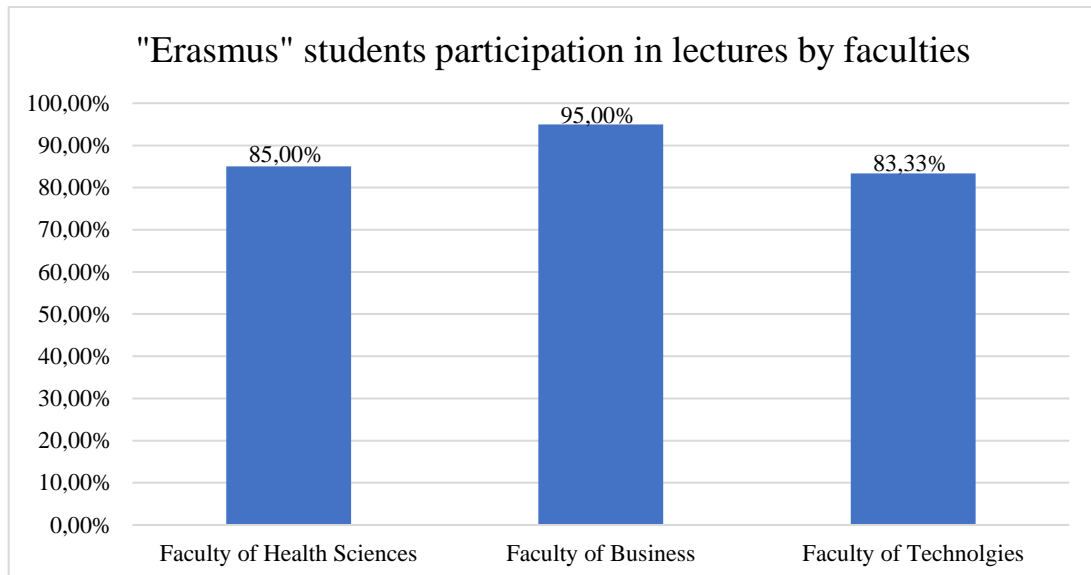

**In 2024 May - June, students of the Erasmus International Exchange Program took part in an online survey and had the opportunity to self-evaluate their studies. The student could self-evaluate each studied subject by filling out a separate questionnaire.**

**The diagram below shows the statistical average of the student's self-assessment of the subject studies according to the study programs in points (on a 5-point scale).**

**The highest satisfaction average is 4.80 points - in the Finance program. Finance program students indicated that they liked was practical assignments, the Simbound programme was a great experience, the lecturers know how to engage students.**

**Students self-assessed their participation in lectures, the data are presented after calculating the statistical average, according to faculties.**

**The data shows that the students of the Faculty of Business were the most active in attending lectures - 95%.**

**The expressed opinion contributes to the improvement of the quality of the studied subjects, helps to identify problems arising in the study process and possible ways of solving them.**

**Thank you for participation!**
