

BLENDED INTENSIVE PROGRAMME

AT KLAIPĖDOS VALSTYBINĖ KOLEGIJA / HIGHER EDUCATION INSTITUTION

MASTERING THE ART OF GAME IN A CHANGING WORLD

29/04/2025-09/05/2025

The aim of the program - to develop students' competences to design, analyse, and apply game concepts in a changing world, fostering strategic thinking, entrepreneurial skills, innovative educational practices, the use of virtual reality technologies, experimental modelling methods, and conflict resolution and counter-strategy development through game-based approaches. The program is designed for students aiming to integrate game mechanics into their professional activities, promote creativity, and address real-world challenges through the lens of gamification
